Equivalence of School Level Qualifications of Foreign Boards in India

Many queries are being received in AIU from parents of students studying in school that have foreign Boards Curriculum regarding equivalence of foreign qualifications delivered in Online/Home Schooling by Foreign Boards operating in India by Association of Indian Universities (AIU).

In this matter, it is informed that AIU has accorded equivalence to qualification of Foreign Boards that are delivered face to face in classroom environment in physical mode.

The foreign qualifications of Cambridge International Board & Pearson/Edexcel delivered in Online/Home Schooling are not considered for equivalence by AIU.

A separate communication is being sent to the Foreign Boards to update/share this information with parents/students studying in school that have adopted foreign boards curriculum.
