All the notices were complied with by submitting the requisite documents, details and explanations called for. The books of accounts were also produced before the Assessing Officer through our Statutory Auditors.

This was followed by a Notice of Demand of Tax for Rs.2,72,16,450/- for the AY 2011-12 under section 156 of Income Tax Act, 1961 from the DDIT(Exemption) alongwith Assessment Order u/s 143(3) dated 24.3.14 by stating:

"Your application for stay has been considered and in view of the facts of the same and circumstances stated by you, the petition for stay is rejected. You are directed to deposit at least 50% of the outstanding demand within 7(seven) days of receipt of this letter and balance 50% shall remain stayed till the disposal of appeal before the CIT (Appeal) or six months which ever is earlier subject to fulfillment of first condition that 50% of demand is deposited with seven days of receipt of this letter. In case you fail to deposit such demand, coercive measures including attachment of your bank accounts shall be resorted to."

An appeal under Form No. 35 was filed by the Association on 24.4.2014 before the Commissioner of Income Tax (Appeal)-XXI against the Assessment Order issued by the Assessing Officer.

The matter was personally discussed with DDIT(E) by the Statutory Auditors and Deputy Secretary (F) to keep the demand under abeyance till the appeal with the Commissioner of Income Tax (Appeal)-XXI of the Association is heard for the AY 2010-11 for which association had already deposited Rs.25,72,460/- (50% of tax demand).

On receipt of notice for the appeal filed by AIU for AY 2010-11, a request was submitted again vide letter No. AC/AY 2011-12 dated 7.8.2014 before the DDIT(E) to keep the tax demand in abeyance.

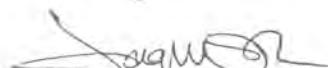

The Assessing Officer considered our request and issued revised order No.DDIT(E)/Inv.Cir/01/2014-15/275 dated 8.8.2014 with a direction to deposit a sum of Rs.1,36,08,225/- (50% of demand for AY 2011-12) in 8 equal installments starting from August, 2014 till March, 2015. It is pertinent to mention here that the Deputy Director of Income Tax (E) has countered our replies in the earlier order also by stating following provisions:

- By insertion of the new proviso in Section 2(15) certain type of activities (advancement of objects of general public utility) considered otherwise charitable were taken out of the definition of charitable activity if they were found to be engaged in trade and commerce.
- *As already stated that the activities of the applicant fall under the last limb, i.e. advancement of any other object of general public utility and since these activities involve providing services for a fee are clearly hit by the proviso to section 2(15) of the Income tax Act.*
- The inclusive definition of charitable purposes states among other things, relief of the poor, education, and medical relief etc. as in the nature of charitable purpose. The concept of charitable purpose may be manifested in different forms like relief of poor, education, medical relief etc. but a charitable purpose should always take care of the welfare and interest of the public and especially the poor section of the public. Running a society only for the purpose of co-coordination between the universities **does not show any work of charity being undertaken by the society.**

The case is being heard by CIT (Appeal) for the Assessment Year 2010-11 and the next hearing is scheduled on 25.9.2014].

The Finance Committee approved the expenditure and further resolved that the Secretary General of the Association may if need arises, appoint an eminent Advocate/Financial/Legal Expert besides approaching the CIT (Appeal) through Statutory Auditors of the Association.

[Note: As per Section 11(1) of the Income Tax Act, 1961, a charitable trust or institution will have to apply at least 85% of the income to charitable purposes. Where 85% of the income is not applied to charitable or religious purposes, the charitable trust may accumulate or set apart either the whole or part of its income for future application for such purposes in India. The submissions filed by the Association were not accepted by the Assessing Officer by stating:

"....the activities do not fall under any of the limbs of definition of "charitable purpose" for availing the benefits of section 11 & 12 of the IT Act, 1961. The concept of charitable purpose may be manifested in different forms like relief of the poor, education and medical relief etc. but a charitable

purpose should always take care of the welfare and interest of the public and especially the poor section of the public. Running a society only for the purpose of co-ordination between the universities does not show any work of charity being undertaken by the society.

Therefore, an expert opinion was sought from M/s Gaurav K Arora & Co., Service Tax Consultant on the income heads shown above in the light of amendments made in the Union Budget 2014-15 . The Service Tax Consultant has submitted his opinion by stating that:

1. The concept of exemption based on the definition of "Auxiliary Education Services has been deleted.
