AIU/SGO/DAAD/2022
April 13, 2022

Dear Vice Chancellor/Director,

Greetings from Association of Indian Universities!

This in continuation to my earlier communication wherein proposals were sought for presentation during the 03 days international conference on '**International Higher Education Dialogue – Conference 2022 from 04 to 06 May 2022**' jointly organized by Association of Indian Universities and the German Academic Exchange Service (DAAD). We are grateful for the overwhelming response received from the Indian universities for presentation in the conference. The proposals received from Indian and German Universities have been shortlisted by a joint committee of AIU and DAAD Germany for presentation during the conference.

The conference is an excellent opportunity for higher education institutions from Germany, India, Bangladesh, Bhutan, Nepal, and Sri Lanka. This year France is invited as the guest country to connect with key stakeholders across higher education and research spectrum, to discuss the future of international exchange in higher education and share good practices. It will address different aspects of internationalisation including Equity and Access, improving quality of Higher Education through Rankings, Strategic Partnerships, Non-Degree Seeking Mobility, Transnational Education, International Higher Education in times of crisis and many more.

During the first two days on the conference, there shall be sessions, panel discussions and keynotes. The universities shall be able to have dedicated B2B meetings with other universities of participating countries to engage with potential cooperation partners.

You are requested to disseminate the information among faculty and administrators of your university and affiliated colleges with a request to participate in the conference and network with the universities of Germany, India and South Asia and forge new collaborations. They can start registering for the conference at <https://ihedconference2022.converve.io> and start setting-up B2B meetings. The tentative schedule of the conference is enclosed for your kind perusal.

Looking forward to your active participation.

With warm regards,

Yours sincerely,

(Pankaj Mittal)
