25th April, 2022

Dear Vice Chancellors/Directors,

Greetings from AIU!

I am pleased to share with you that International Association of Universities (IAU) has launched the 3rd IAU Global HESD Survey that shall provide insight on global developments regarding Sustainable Development (SD) in the higher education institutions. A detailed note is enclosed for your kind perusal.

The present survey is the third iteration of the IAU Global Survey on HESD. The first survey was conducted in 2016 and second in the year 2019. The reports of the surveys were published by IAU and available for reference.

The third survey uses the 2030 Agenda and the SDGs as a framework to foster better understanding of **how HEIs engage with sustainable development (SD)**. The insight from the survey shall help in development of new policy and support universities in engaging with sustainability using a whole-institution approach (WIA) to SD.

The survey can be taken on the link [IAU Global Survey on Higher Education and Research for Sustainable Development \(HESD\) 2022 \(surveymonkey.com\)](https://www.surveymonkey.com/s/iau-global-survey-on-higher-education-and-research-for-sustainable-development-hesd-2022). The deadline to take the Survey is 15th May, 2022.

I request you to participate in the survey to showcase the viewpoint of the Indian universities at the global platform.

With warm regards,

Yours sincerely,

(Pankaj Mittal)
