

**THE INSTITUTE OF CHARTERED ACCOUNTANTS OF INDIA**  
(Set up by an Act of Parliament)

10<sup>th</sup> June, 2022

To: All Academicians of Universities / Colleges / Institutes of India

Dear Sir/Madam,

**Sub: Invitation for providing inputs for proposed scheme of Education and Training of The Institute of Chartered Accountants of India**

The ICAI, being the second largest professional body of Chartered Accountants in the world, has always been instrumental in enriching the Commerce education across the nation. Recently, the ICAI has made a noteworthy contribution in critical review of the draft "Learning Outcomes based Curriculum Framework (LOCF)" of UGC for their B-Com (General)/ B-Com (Hons.) courses.

Lately, the ICAI has been progressively working on the proposed scheme of education and training which has been formulated considering the following:

- Significant aspects of National Education Policy, 2020 and
- Requirements under International Education Standards of International Federation of Accountants (IFAC),
- Best practices of international accountancy bodies,
- Launch of international curriculum for reorienting the professional accountancy education.

The Ministry of Corporate Affairs has accorded its in-principle approval on the Draft Amendments in the CA Regulations arising out of the Proposed Scheme of Education and Training for exposing the Proposed Scheme of Education and Training for Public Comments.

Accordingly, the Institute (ICAI) is seeking valuable suggestions from all stakeholders on the proposed scheme of education and training. Considering your rich experience in academics, you are requested to provide us your valuable suggestions relating to the subjects included at different levels, self-paced modules, manner of assessment and other aspects of proposed scheme of education and training.

The detailed booklet about the scheme is available under the following link:

Looking forward for your valuable suggestions.

Yours sincerely

(CA. Vandana D Nagpal)
