Res/AIU/Taipei/ 2022

September 18, 2022

Dear Vice Chancellor/Director,

Greetings from AIU!

I am delighted to inform you that the Education Division, Taipei Economic and Cultural Centre in India has introduced the '**2023 ELITE Scholarship Programme**' for Indians university lecturers and interested in pursuing doctoral programme in Taiwan.

The scholarship programme primarily aims at encouraging the lecturers who do not have doctoral degree and can apply for this scholarship programme in order to upgrade research skills for them and to enhance international ranking of his/her home university. The period of the application is very short for about a month from **September 01 to 30, 2022**. The selected lecturers will start their studies in the fall semester of 2023.

This is an opportunity for the young faculty members to upgrade their Research skills which ultimately may help their universities/institutions in producing quality research output culminating into quality research publications. The National Education Policy (NEP) also recommends an exciting opportunity for innovative interventions from both domestic and international providers. The policy prioritises internationalisation through international partnerships and student mobility with emphasis on innovative delivery that enriches learning experiences.

I am writing to request you to give wide publicity to the information and recommend suitable faculty members for the Scholarship.

For further details and queries, you may contact **Mr. Peters Chen, Director, Education Division, (MoE, Taiwan), Taipei Economic and Cultural Centre in India** on email ind@mofa.gov.tw and Phone: 91-11-46077777.

With warm regards,

Yours sincerely,

(Pankaj Mittal)

The Vice Chancellor/Director of all AIU Member Universities/Institutions.
