

Dear Students, as you are at the end of almost an entire year off-campus and online, here is an important initiative by the Student Experiences in Research Universities (SERU) Consortium in collaboration with the Association of Indian Universities and O.P. Jindal Global University seeking to understand the challenges you faced during this historic year of the COVID-19 pandemic. Please devote 10 mins to reflect on your experiences and respond to this historic survey to plan for a better future. Wish you all the best in the New Year 2021!
